Product Specification Sheet

Repel Backpack

Part #: TSB034US

Product Description:

This backpack is perfect for those who travel with a number of mobile accessories. The front pocket workstation includes storage for pens, a mobile phone/PDA compartment and pockets for additional accessories. A retractable travel document holder is also included so you do not misplace your itinerary while traveling. A nyflex lined CD/MP3 pocket with hidden headphone port is a convenient place to store your media. The padded ergonomic shoulder straps, mesh back panel and tuck-away sternum strap provide the ultimate in comfort for your travels. A trolley pass-through on the back panel allows you to attach the backpack onto rolling luggage. Offering a high-level of comfort and plenty of storage options, this backpack is the perfect solution for a student or active traveller.
